### DISADVANTAGED BUSINESS ENTERPRISE/AIRPORT CONCESSIONS DISADVANTAGED BUSINESS ENTERPRISE (DBE/ACDBE) AND SMALL BUSINESS ENTERPRISE (SBE) UTILIZATION

#### DEPARTMENT OF TRANSPORTATION POLICY

It is the policy of the Department of Transportation that socially and economically Disadvantaged Business Enterprise/Airport Concessions Disadvantaged Business Enterprise (DBE/ACDBEs), as defined at Title 49 Code of Federal Regulations, Part 23 and 26, shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with Federal funds. Consequently, the DBE/ACDBE requirements of 49 CFR, Part 23 and 26, shall apply to any agreement resulting from this procurement.

Participants in this procurement agree to ensure that DBE/ACDBEs, as defined at 49 CFR, Part 23 and 26, have the maximum opportunity to participate in the performance of contracts and subcontracts financed in whole or in part with federal funds. In this regard, the Proposers/Bidders/Qualifiers shall take all necessary and reasonable steps in accordance with 49 CFR, Part 23 and 26, and the Airport's DBE/ACDBE Program to ensure that DBE/ACDBEs have the maximum opportunity to compete for the performance of contracts. Neither the Proposers/Bidders/Qualifiers nor the selected contractor shall discriminate on the basis of race, color, national origin or sex in the performance of a resulting DOT-assisted contract.

#### I. OVERALL GOALS

The term **"disadvantaged business"** means a small business concern, which is at least 51 percent owned by one or more socially and economically disadvantaged persons or, in the case of a publicly owned business, at least 51 percent of the stock of which is owned by one or more socially and economically disadvantaged individuals and whose management and daily business operation are controlled by one or more of the socially and economically disadvantaged individuals who own it.

**"Socially and economically disadvantaged individuals"** means a citizen of the United States (or lawfully admitted permanent resident) who meets the criteria set forth in 49 C.F.R. Section 26.5. The Airport annually sets an overall DBE/ACDBE goal and triennially sets an DBE/ACDBE goal for work to be performed under Airport contracts, including construction activity procurement of common goods and services, personal service contracts, concessions and rental car contracts. While the expected percentage of certified DBE/ACDBE utilization may vary from contract to contract due to the availability of DBE/ACDBEs in any given line of work, the Airport believes that overall goals to be realistically obtainable over time with the assistance of the federal government, the business community, and DBE/ACDBE organizations.

In order to meet Federal requirements and to provide for maximum participation of certified DBE/ACDBEs, the Airport specifies a percentage of participation goals in contracts with subcontracting opportunities (the percentage may be zero).

#### II. CONTRACT GOALS

**The Airport has specified a contract specific DBE/ACDBE/SBE goal for the work to be performed under this contract.**

- A. When a DBE/ACDBE/SBE participates in a contract, you count only the value of the work actually performed by the DBE/ACDBE/SBE toward the DBE/ACDBE/SBE goals.
  - 1. Count the entire amount of that portion of a contract (or other contract not covered by Paragraph (A) (2) of this section) that is performed by DBE/ACDBE/SBEs own forces. Include the cost of supplies and materials obtained by the DBE/ACDBE/SBEs for the work of the contract, including supplies purchased or equipment leased by the DBE/ACDBEs (except supplies and equipment the DBE/ACDBE/SBEs subcontractor purchases or leases from the prime contractor or its affiliate).

2. Count the entire amount of fees or commissions charged by an DBE/ACDBE/SBEs firm for providing a bona fide service, such as professional, technical, consultant, or managerial services, or for providing bonds or insurance specifically required for the performance of a DOT-assisted contract, toward DBE/ACDBE/SBE goals, provided you determine the fee to be reasonable and not excessive as compared with fees customarily allowed for similar services.
3. When a DBE/ACDBE/SBE subcontracts part of the work of its contract to another firm, the value of the subcontracted work may be counted toward DBE/ACDBE/SBE goals only if the DBE/ACDBE/SBE subcontractor is itself a DBE/ACDBE/SBE. Work that a DBE/ACDBE/SBE subcontracts to a non-DBE/ACDBE/SBE firm does not count toward DBE/ACDBE/SBE goals.
  - a) When a DBE/ACDBE/SBE performs as a participant in a joint venture, count a portion of the total dollar value of the contract equal to the distinct, clearly defined portion of the work of the contract that the DBE/ACDBE/SBE performs with its own forces toward DBE/ACDBE/SBE goals.
  - b) Count expenditures to a DBE/ACDBE contractor toward DBE/ACDBE/SBE goals only if the DBE/ACDBE/SBE is performing a commercially useful function on that contract.
4. A DBE/ACDBE/SBE performs a commercially useful function when it is responsible for execution of the work of the contract and is carrying out its responsibilities by actually performing, managing, and supervising the work involved. To perform a commercially useful function, the DBE/ACDBE/SBE must also be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quality and quantity, ordering the material, and installing (when applicable) and paying for the material itself. To determine whether a DBE/ACDBE/SBE is performing a commercially useful function, you must evaluate the amount of work subcontracted, industry practices, whether the amount the firm is to be paid under the contract is commensurate with the work it is actually performing and the DBE/ACDBE/SBE credit claimed for its performance of the work, and of the relevant factors DBE/ACDBE/SBE does not perform a commercially if its role is limited to that of an extra participant in a transaction, contract, or project through which funds are passed in order to:

#### **DISADVANTAGED BUSINESS ENTERPRISE (DBE) FIRMS ONLY**

1. To be a regular dealer, the firm must be an established, regular business that engages, as its principal business and under its own name, in the purchase and sale or lease of the products in question.
2. A person may be a regular dealer in such bulk items as petroleum products, steel, cement, gravel, stone, or asphalt without owning, operating, or maintaining a place of business; if the person both owns and operates distribution equipment for long-term lease agreement and not on an ad hoc or contract by contract basis.
3. Packagers, brokers, manufacturers', representatives, or other persons who arrange or expedite transactions are not regular dealers within the meaning of this paragraph.
4. With respect to materials or supplies purchased from a DBE/SBE which is neither a manufacturer nor a regular dealer, count the entire amount of fees or commissions charged for the delivery of materials or supplies required on a job site, toward DBE/SBE goals, provided you determine the fees to be reasonable and not excessive as compared with fees customarily allowed for similar services. Do not count any portion of the cost of the materials and supplies themselves toward DBE/SBE goals.

**Sixty percent (60%)** of the total dollar value will be counted in the case of a DBE/ACDBE/SBE supplier that is not a manufacturer, provided that the DBE/ACDBE/SBE supplier performs a commercially useful function in the supply process to include brokers etc in accordance with 49 CFR 26.55 Paragraph 2b.

## AIRPORT CONCESSIONS DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) PARTICIPATION ONLY

ACDBE firms can only be counted if they are performing a commercially useful function as outlined above. Count revenues generated to an ACDBE concessionaire only if the ACDBE is performing a commercially useful function on that contract.

### DBE/ACDBE MANUFACTURER/REAL DEALER PARTICIPATION

The entire amount of fees or commissions charged by a DBE/ACDBE firm for a bona fide service will be counted provided that the fees are determined to be reasonable and not excessive as compared with fees customarily allowed for similar services. Such services may include, but are not limited to, professional, technical, consultant, legal, security systems, advertising, building cleaning and maintenance, computer programming, or managerial.

One hundred percent (100%) of the cost of goods obtained from a DBE/ACDBE/SBE manufacturer will be counted. The term manufacturer has the same meaning as in Part 26, Section 26.55(e) (1) (ii). One hundred percent (100%) of the cost of goods purchased or leased from a DBE/ACDBE/SBE regular dealer will be counted. The term "regular dealer" has the same meaning as in Part 26, Section 26.55(e) (2) (ii). Credit will be counted toward DBE/ACDBE/SBE goals for goods purchased from a DBE/ACDBE/SBE which is neither a manufacturer nor a regular dealer as follows:

Count the entire amount of fees or commissions charged for assistance in the procurement of the goods, provided that this amount is reasonable and not excessive as compared with fees customarily allowed for similar services. Do not count any portion of the cost of the goods themselves.

Count the entire amount of fees or transportation charges for the delivery of goods required for a concession, provided that this amount is reasonable and not excessive as compared with fees customarily allowed for similar services. Do not count any portion of the cost of goods themselves.

If a firm has not been certified as a DBE/ACDBE/SBE in accordance with the standards in this part, do not count the firm's participation toward DBE/ACDBE/SBE goals.

### III. BIDDING REQUIREMENTS, TERMS AND CONDITIONS

A. In addition to any other requirements contained in this Invitation to Bid or Request for Proposal or Qualifications, the following DBE/ACDBE/SBE Program requirements must be satisfied, bid/proposals must include a representation that:

1. The Proposer/Bidder/Qualifier has met the goal established by the Airport for this procurement, or
2. The Proposer/Bidder/Qualifier has made a good faith effort to attain the level of DBE/ACDBE/SBE participation sought by the Airport for this procurement

Each Proposer/Bidder/Qualifier must include a statement in **Attachment B-1** (Declaration of Proposed DBE/ACDBE Utilization) of the level of DBE/ACDBE participation attained through such effort. This submittal is regarded as a matter of bid responsiveness. Failure to make these submittals will serve to disqualify the bid as non-responsive to this Invitation to Bid.

B. Each Proposer/Bidder/Qualifier should also prepare a complete DBE/ACDBE Participation Plan that sets forth the extent of DBE/ACDBE involvement in this procurement, these materials are to be provided upon request, and will be considered in determining Proposer/Bidder/Qualifier responsibility.

C. DBE/ACDBE participation plans shall include the following minimum information:

1. DBE/ACDBE Participation Schedule, (**Attachment B-3**) which includes:

- a. Names, addresses and contact persons of the DBE/ACDBE entities that will participate in the contract;
- b. A description of the work each named DBE/ACDBE will perform;
- c. The dollar amount (projected revenue) of the participation of each named DBE/ACDBE
- d. Federal Tax Identification Number

All proposed and subsequent certified DBE/ACDBE firms must complete **Attachment B-2** (DBE/ACDBE AFFIDAVIT) and **Attachment B-4A** (Letter of Intent-Certified DBE/ACDBE), and copies of sub agreements must be submitted for **each DBE/ACDBE firm whose participation is proposed for the performance of this contract as a subcontractor/consultant or joint venture.**

2. If the DBE/ACDBE and SBE goals are not met, the Proposer/Bidder/Qualifier must demonstrate adequate document in **Attachment B-5** (Good Faith Efforts Guidelines) the good faith efforts it made to include DBE/ACDBE/SBE participation in the contract. The documentation of the effort is discussed in greater in paragraph (E) of this Section.
3. Non-Certified DBE/ACDBE and SBE Participation Schedule (**Attachment B-6**), which includes:
  - a. Names, addresses and contact persons of the non DBE/ACDBE and SBE entities that will participate in the contract;
  - b. A description of the work each named non DBE/ACDBE and SBE will perform;
  - c. The dollar amount (projected revenue) of the participation of each named non DBE/ACDBE and SBE
  - d. Federal Tax Identification Number

**All Proposers/Bidder/Qualifiers must make a good faith to meet both the DBE/ACDBE and SBE goal(s).**

**(For SBE qualifications and validations, refer to the *Small Business Certification Verification Process* attached to this Guidelines)**

4. All proposed and subsequent non-certified DBE/ACDBE and SBE must complete Attachment B-4B (Letter of Intent-Non-Certified DBE/ACDBE and SBE) and copies of sub agreements must be submitted for **each non-certified DBE/ACDBE and SBE firm whose participation is proposed for the performance of this contract as a sub-contractor/consultant or joint venture.**

**Note: Firms CANNOT perform as both a DBE/ACDBE and SBE. Participation is counted separately.**

5. Second/Third Tier Sub-contractor/consultant Participation Schedule (**Attachment B-8**), which includes:
  - a. Name of 2<sup>nd</sup>/3<sup>rd</sup> tier sub-contractor/consultant
  - b. First tier sub-contractor/consultant with agreement with the 2<sup>nd</sup>/3<sup>rd</sup> tier sub;
  - c. Identification whether 2<sup>nd</sup>/3<sup>rd</sup> tier is certified or non-certified DBE/ACDBE
  - d. Federal Tax Identification Number
  - e. Address and contact person
  - f. Description of the work each named for each 2<sup>nd</sup>/3<sup>rd</sup> tier sub-contractor/consultant will perform;
  - g. The dollar amount (projected revenue) of the participation of each named DBE/ACDBE

All sub-agreements must be submitted for each of the 2<sup>nd</sup>/3<sup>rd</sup> tier subcontractor/consultant **whose participation is proposed for the performance of this contract as a 2<sup>nd</sup>/3<sup>rd</sup> sub-contractor/consultant.**

6. Request for **emergency** addition-conditional approval to utilize a subcontractor/consultant can be submitted by completing **Attachment B-9** (Emergency Addition-Conditional Approval of Subcontractor/consultant). The Contractor shall make assurances that all subcontractors listed in Attachment B-9 who are utilized towards the fulfillment of a DBE/ACDBE/SBE goal will be performing a commercially useful function as outlined in 49 CFR PART 26 and 23. If it is discovered that the DBE/ACDBE/SBE is not performing or has not performed a commercially useful function, the Prime Contractor will immediately notify OCI of its findings. **THE APPROVAL OF THIS FORM IS CONDITIONAL. FINAL APPROVAL WILL NOT BE GRANTED until all OCI A & B FORMS are completed & contractual agreements are signed and provided to OCI WITH IN 5 DAYS OF SIGNATURE.** This addition **MUST BE APPROVED BY THE AIRPORT DIRECTOR AND CITY OF CLEVELAND BOARD OF CONTROL.** If this contract is subject to STATE OF OHIO PREVAILING WAGE OR FEDERAL DAVIS BACON (WAGE & HOUR) requirements the Contractor and sub-contractor are required to follow all contractual obligations related to Wage & Hour on all Department of Port Control/City of Cleveland contracts. If the wage & hour information is not submitted, payment to the Contractor can be stopped or the project can be stopped entirely. All other provisions regarding additions of sub-contractors/consultants must be followed and applied herein.
7. The following standards shall be applied in assessing the responsibility of the DBE/ACDBE plan submitted:
  - a) Whether the participation plan contains capable currently certified DBE/ACDBE firms.
  - b) Whether the firms listed in the plan are performing a commercially useful function
  - c) Whether the listed firms are sharing monetary benefit in proportion to their share of the work of the project.
  - d) Whether the plan exhibits a likelihood of goal attainment.
  - e) Whether the prime/sub relationships are firm, i.e., whether conditional subcontractors have been entered.

D. The contractor must receive the approval of the Airport's Office of Compliance and Inclusion **before** termination, addition and or making substitution for any subcontractors listed in its DBE/ACDBE and Non-DBE/ACDBE and SBE plans.

Airport certified DBE/ACDBE entities are eligible for inclusion in a plan. Consult the DBE/ACDBE Directory at <http://www.dot.state.oh.us/Divisions/ODI/SDBE/Pages/UCP.aspx> . Also, the Airport Office of Compliance and Inclusion is available for assistance in ascertaining certification status of DBEs/ACDBEs. Applications for certification may be obtained at <http://www.dot.state.oh.us/Divisions/ODI/SDBE/Pages/UCP.aspx>. All applications must be made through the Ohio Unified Certification Program (UCP) Application. Firms with SBE designation can be accessed through the OCI Office. **For all bids, firms seeking to be counted toward participation at the time of contract award must be certified prior to the bid/proposal submission date. For all proposals and statements of qualifications, all firms to be counted toward participation at the time of the contract award must be certified by the time of final contract negotiations.**

1. The Airport will attempt to certify proposed DBE/ACDBE entities prior to bid. The Airport will also attempt to grant SBE designation prior to bid; however it will not consider certification/designation not completed prior to submittal of bids.
2. DBE/ACDBEs seeking to perform on RFP/Q's must complete the B forms at the time of proposal/qualification submission. **All B forms for RFP/Q's must be finalized and ALL DBE/ACDBE/SBEs MUST BE CERTIFIED/DESIGNATED BY FINAL NEGOTIATIONS.**
3. Proposer/Bidder/Qualifier should not rely upon the approval of the certification applications submitted for this bid/proposal by its proposed DBE/ACDBEs due to the time it takes to review and approve an application.

4. However, substitution of DBE/ACDBE entities appearing in a plan may be permitted where the Disadvantaged Business Enterprise Liaison Officer (DBELO) determines that such substitution will not result in an abuse of the DBE/ACDBE Program. The burden of demonstrating the propriety of such substitution lies with the Proposer/Bidder/Qualifier seeking such substitution. Denial of certification is final for the pending contract. Any person denied certification may appeal such decision in accordance with the provisions of 49 CFR, Part 26 Section 28.89, which is reproduced as part of the Joint Certification Application.
5. The Proposer's/Bidder's/Qualifier's commitment to a specific goal for DBE/ACDBE/SBE utilization as detailed in its DBE/ACDBE/SBE Plan shall constitute a presumption that good faith efforts to meet the DBE/ACDBE/SBE goal by subcontracting to or undertaking to joint venture with DBE/ACDBE/SBE firms have been made. If the Proposer/Bidder/Qualifier fails to meet the goal, it will carry the burden of furnishing sufficient documentation, demonstrating its adequate good faith efforts, by utilization.

The standard by which the Airport will determine whether the efforts made by a Proposer/Bidder/Qualifier were good faith efforts is whether such efforts could be reasonably be expected to produce sufficient DBE/ACDBE/SBE participation to meet the goals set for this procurement in reaching this decision, the Airport may consider all efforts advanced by the Proposer/Bidder/Qualifier as well as the following:

1. Did the contractor attend any scheduled pre-solicitation or pre-bid meetings to inform DBE/ACDBE/SBEs of contracting and subcontracting opportunities?
  2. Did the contractor advertise in general circulation, trade association and minority-focus media concerning the subcontracting opportunities?
  3. Did the contractor provide written notice to a reasonable number of specific DBE/ACDBE/SBE that their interest in the contract was being solicited, in sufficient time to allow the DBE/ACDBE/SBEs to participate effectively?
  4. Did the contractor/supplier follow up with the DBE/ACDBE/SBE firms interested in participating?
  5. Did the contractor/supplier select portions of work to be done by DBEs/ACDBEs/SBEs (including dividing contracts into economically feasible units to facilitate participation)?
  6. Did the contractor provide adequate information about plans, specifications, and/or contracting requirements?
  7. Did the contractor negotiate in good faith with interested DBEs/ACDBEs/SBEs, not rejecting DBE/ACDBE/SBEs as unqualified without sound reasons?
  8. Did the contractor make efforts to provide assistance to obtain bonding, lines of credit, or insurance?
  9. Did the contractor effectively use the services of available minority and female organizations, contractors' groups, state and local offices, etc., that have knowledge of available DBE/ACDBE/SBE firms or the names or organizations to locate such firms?
- F. In the event a contract is awarded as a result of this procurement, the DBE/ACDBE/SBE Participation Plan submitted by the successful Proposer/Bidder/Qualifier and the terms, conditions and requirements contained in this notice shall become an integral part of the contract, binding said Proposer/Bidder/Qualifier to full and faithful performance in accordance with said plan.
- G. Any award resulting from the procurement shall be and is conditioned upon the attainment of the aforesaid goals or the satisfactory showing of good faith efforts to attain said goals.
- H. All successful Proposers/Bidders/Qualifiers must submit all the required documents to project managers prior to OCI final written approval to proceed (i.e. fully executed contract, that includes Purchase Order, Certification Request, Signature page of the contract between successful Proposers/Bidders/Qualifiers with the City of Cleveland, City Ordinance, Board Control Resolution *(all proposed DBEs/ACDBEs, Non DBE/ACDBEs and SBEs should be*

*listed*), all Sub-contractual/consultant Agreements, Post Project Summary and Project Contract Summary). Affirmative Action and/or EEO-1 forms are to be submitted to OCI bi-annually.

- I. During the performance of any resulting contract and for a period of up to three (3) years following completion of the contract work, the Airport may initiate reviews for compliance with the requirements of the Airport's DBE/ACDBE/SBE Program and the successful Proposer's/Bidder's/Qualifier's (hereinafter "*Contractor*") DBE/ACDBE/SBE Participation Plan. Such reviews will require the submissions of payment or revenue reports utilizing the B2GNow Contract Compliance online monthly utilization reporting program at this link: <https://clevelanddiversitycompliance.com/>. Supporting documents invoices, canceled checks, desk audits and/or onsite reviews are uploaded for compliance review. Where a Contractor is found by the Airport to have failed to comply with the requirements of the DBE/ACDBE Program and SBE Element or the Contractor's DBE/ACDBE/SBE Participation Plan, the Contractor will be required to take corrective action. If corrective action is not promptly taken by the offending Contractor, the following sanctions may be imposed (singly, in any combination and in addition to any other remedies provided by law or equity):
1. The Airport may withhold all further payments under the contract.
  2. The Contractor may be ordered to stop work
  3. The contract may be terminated for breach.
  4. Suspension or debarment proceedings may be commenced in accordance with 49 CFR, Part 29.
  5. The Director of Purchasing and Supplies may find the defaulting contractor non-responsible in respect to other solicitations for a stated period of time.
  6. The relevant performance bond(s) may be enforced.
  7. The contract payments may be reduced by an amount equal to that designated in the DBE/ACDBE/SBE plan for DBE/ACDBE/SBE participation.

Reviews for non-federally funded projects (i.e. construction project, professional services projects, requirement projects) will require the submissions of a payment or revenue reports utilizing the B2GNow Contract Compliance online monthly utilization reporting program at this link: <https://clevelanddiversitycompliance.com/>. Supporting documents invoices, canceled checks, desk audits and/or onsite reviews are uploaded for compliance review.

- J. Upon completion of the project (or portion of the project for partial releases of retainage) or completion of any subcontractor/subconsultant/subconcessionaire portion of the project, and upon receipt of all required documentation and deliverables, the Airport will approve release of retainage or portions thereof directly to the Contractor/Consultant. The Contractor/Consultant shall release retainage due to each subcontractor/sub consultant or material supplier within ten (10) days following Owner's payment to the Contractor/Consultant for work completed or material supplied.
- K. Agreements between a supplier/contractor and DBE/ACDBE/SBE in which the latter promises not to provide subcontracting quotations to other suppliers/contractors are prohibited.
- L. The Contractor will keep records and documents for three (3) years following performance of this contract to indicate compliance with this notice. Such records and, or copies thereof, will be made available at reasonable times and places for inspection by any authorized representative of the Airport and will be submitted to Airport upon request with any other compliance information which such representative may require.
- M. If at any time, the Department of Transportation or the Airport has reason to believe that any person or firm has willfully or knowingly provided incorrect information or made a false statement, it may refer the matter to the General Counsel of the Department of Transportation. They may initiate debarment proceedings in accordance with 41 CFR 1-1.604 and 12-1.602 and/or refer the matter to the Department of Justice under 18 U.S.C. 1001, as they deem appropriate.
- N. Proposers and Contractors agree to be bound by all the requirements, terms and conditions of this notice.
- O. Nothing in this notice shall be interpreted to diminish the present contract compliance review.

**GOOD FAITH EFFORTS GUIDELINES**

Instructions: In the event a competitor is unable to commit to full attainment of an established SBE/DBE/ACDBE contract specific goal, a good faith efforts evaluation must be conducted by the Airport. All competitors must provide documentation demonstrating all of the steps outlined below were taken in attempting to obtain SBE/DBE/ACDBE participation. **ALL GOOD FAITH EFFORT DOCUMENTATION MUST BE SUBMITTED AT THE TIME OF BID/PROPOSAL/QUALIFICATION.** With the exception of the RFQ process, the Airport is not allowed to contact potential contractors/consultants prior to selection of the successful bidder/proposer regarding information submitted. If good faith efforts are not submitted at the time of bid/proposal the bidder/proposer will be deemed **NON-COMPLIANT.**

1. Whether the contractor attended any pre-solicitation or pre-bid meetings that were scheduled by the recipient to inform SBE/DBE/ACDBEs of contracting and subcontracting opportunities;
2. Whether the contractor advertised in general circulation, trade association, and minority-focus media concerning the subcontracting opportunities;
3. Whether the contractor provided written notice to a reasonable number of specific DBEs/ACDBEs/SBEs, that their interest in the contract was being solicited in sufficient time to allow the DBEs/ACDBEs/SBEs to participate effectively;
4. Whether the contractor followed up initial solicitations of interest by contacting DBE/ACDBEs to determine with certainty whether the DBE/ACDBEs/SBEs were interested;
5. Whether the contractor selected portions of the work to be performed by DBE/ACDBEs/SBEs in order to increase the likelihood of meeting the DBE/ACDBE/SBE goals (including, where appropriate, breaking down contracts into economically feasible units to facilitate DBE/ACDBE/SBE participation);
6. Whether the contractor provided interested DBEs/ACDBEs/SBEs with adequate information about the plans, specifications and requirements of the contract;
7. Whether the contractor negotiated in good faith with interested DBEs/ACDBEs/SBEs, not rejecting DBEs/ACDBEs/SBEs as unqualified without sound reasons based on a thorough investigation of their capabilities.
8. Whether the contractor made efforts to assist interested DBEs/ACDBEs/SBEs in obtaining bonding, lines of credit, or insurance required by the recipient or contractor; and

**CERTIFICATION VERIFICATION  
PROCESS**

**CLEVELAND AIRPORT SYSTEM DISADVANTAGED BUSINESS ENTERPRISE (DBE)**  
**SMALL BUSINESS ENTERPRISE (SBE) PARTICIPATION PLAN**  
**FEBRUARY 2012**

**A. Objective (49 CFR PART 26.39)**

Recognizing that the DBE Program goals should be met through a mixture of race conscious and race neutral methods and, that by definition, DBE firms are small businesses, the Cleveland Airport System (Airport) seeks to implement a small business element into its current DBE policy in accordance with applicable law. The Airport is including this element to facilitate competition by and expand opportunities for small businesses. The Airport is committed to taking all reasonable steps to eliminate obstacles to small businesses that may preclude their participation in procurements as prime contractors or subcontractors. The Airport will meet its objectives using a combination of the following methods and strategies:

1. Set asides: Where feasible, the Airport will establish a percentage of the total value of all prime contract and subcontract awards to be set aside for participation by small businesses on FAA-assisted contracts. A "set-aside" is the reserving of a contract or a portion of a contract exclusively for participation by small businesses. This requires that the Airport and its prime contractors/consultants set aside a portion of the value of each contract for participation by small businesses. A small business set-aside is open to all small businesses regardless of the owner's gender, race or geographic location.
2. Unbundling: The Airport, where feasible, may "unbundle" projects or separate large contracts which may be suitable for small business participation. The Airport will conduct contract reviews on each FAA-assisted contract to determine whether portions of the project could be unbundled or bid separately. Similarly, the Airport will encourage its prime contractors or prime consultants to unbundle contracts to facilitate participation by small businesses.

**B. Definitions**

1. Small Business: A small business is a business that is independently owned and operated, is organized for profit, and is not dominant in its field. Depending on the industry, size standard eligibility is based on the average number of employees for the preceding twelve months or on sales volume averaged over a three-year period. **B. Definitions**

1. Small Business: A small business is a business that is independently owned and operated, is organized for profit, and is not dominant in its field. Depending on the industry, size standard eligibility is based on the average number of employees for the preceding twelve months or on sales volume averaged over a three-year period. Small businesses must

meet the definitions specified in Section 3 of the Small Business Act and the Small Business Administration regulations (13 CFR Part 121).

2. Disadvantaged Business: A for profit small business (as defined by the Small Business Administration)- That is at least 51 percent owned by one or more individuals who are both socially and economically disadvantaged or, in the case of a corporation, in which 51 percent of the stock is owned by one or more such individuals; whose socially and economically disadvantaged owners do not exceed the current PNW cap of \$1.32 million; whose management and daily business operations are controlled by one or more of the socially and economically disadvantaged individuals who own the firm; and has been certified with the State of Ohio Unified Certification Program (UCP) in accordance with 49 CFR Part 26.

### **C. Certification and Verification Procedures**

Firms seeking certification with the Airport must not exceed fifty percent (50%) of the NAICS Code threshold established by the SBA for their specific industry. All firms whose gross receipts exceed 50% of its industry NAICS threshold will not be certified as a SBE with the Airport.

The Airport will accept the following certifications for evaluation and possible certification and participation in the small business element of the Airport's DBE Program with applicable stipulations:

1. City of Cleveland, Office of Equal Opportunity Cleveland Small Business Certification (CSB) only.
2. Cuyahoga County Small Business Enterprise Certification
3. US SBA 8(a) Certification
4. Northeast Ohio Regional Sewer District Certification
5. Northern Ohio Supplier Diversity Council

\*All firms certified with the entities listed above seeking Airport small business certification must submit the most recent three (3) years business tax returns, complete sections 1 and 3 part B of the Ohio UCP DBE application and submit proof of certification and areas of expertise with its Airport Small Business application.

\*\*For purposes of the small business element of the Airport's DBE program, small businesses which are also owned and controlled by socially disadvantaged individuals will be encouraged to seek DBE certification.

\*\*\*Minority and women-owned business enterprises awarded contracts under the small business enterprise set-aside will be strongly encouraged to seek DBE certification in order to be counted towards race neutral DBE participation.

**D. Registry**

The Airport will maintain an Airport Small Business Registry for all firms it grants SBE certification. This registry is separate from the Ohio UCP DBE Directory and maintained solely by the Airport.

**E. Contracts and Goals**

1. The project manager (PM) and DBELO or the Small Business Officer (SBO) will review FAA-assisted purchases and contracts to assess the small business opportunities, giving consideration to the size and scope of each purchase or contract to establish the set aside percentage. **This set-aside is in addition to the DBE contract goals which may be required pursuant to applicable law or policy.** All Airport FAA-assisted contracts will have a minimum of a ten percent (10%) Small Business Enterprise (SBE) set-aside goal. All FAA-assisted contracts will be reviewed individually to determine if the SBE 10% set-aside goal is appropriate. The goal may be increased or decreased based on size and scope of the purchase. If it is determined after consideration of size and scope that a SBE goal of zero percent (0%) or no goal is to be assigned to a contract, the PM and/or SBO will document why a small business set aside goal is inappropriate. FAA-assisted purchases and contracts valued at \$1 million or less will be SBE set-aside contracts. We will request the successful SBE contractor utilize certified DBE firms as subcontractors on the project.
2. Unbundling: The Airport, where feasible, may "unbundle" projects or separate large contracts which may be suitable for small business participation. The Airport will conduct contract reviews on each FAA-assisted contract to determine whether portions of the project could be unbundled or bid separately. Similarly, the Airport will encourage its prime contractors or prime consultants to unbundle contracts to facilitate participation by small businesses.

**F. Monitoring**

All FAA-assisted contracts will be monitored monthly for small business participation.

**G. Enforcement**

1. A firm that does not meet the eligibility criteria of the Airport's small business program and that attempts to participate in a FAA-assisted program as a small business enterprise on the basis of false, fraudulent, or deceitful statements or representations or under circumstances indicating a serious lack of business integrity or honesty, the Airport may withhold payment, initiate suspension or debarment proceedings against that firm and recommend to The Department of Justice additional actions.
2. The Airport may refer to the Department of Justice, for prosecution under 18 U.S.C. 1001 or other applicable provisions of law, any person who makes a false or fraudulent statement in connection with participation of a small business in any FAA-assisted program or otherwise violates applicable Federal statutes

#### **H. Implementation Schedule**

The Airport will implement the small business element within six (6) months of the FAA's approval of the Small Business Participation Plan.

#### **I. Assurances**

The Airport makes the following assurances:

1. The DBE Program, including its small business element is not prohibited by state law;
2. Certified DBEs that meet the size criteria established under the DBE Program are presumptively eligible to participate in the small business element of the DBE Program;
3. There are no geographic or local preferences or limitations imposed on FAA-assisted contracts and the DBE Program is open to small businesses regardless of their location;
4. There are no limits on the number of contracts awarded to firms participating in the DBE Program;
5. Reasonable effort will be made to avoid creating barriers to the use of new, emerging, or untried businesses; and
6. Aggressive steps will be taken to encourage those minority and women owned firms participating in the small business element of the DBE Program that are eligible for DBE certification to become certified.
