## **CLE opens new Interfaith Center**

- What:** CLE Interfaith Center Grand Opening
- Where:** Cleveland Hopkins International Airport (CLE)  
Near Security Checkpoint B
- When:** Friday, March 5, 2010  
11 a.m.

Cleveland Hopkins International Airport (CLE) opened the new CLE Interfaith Center near security checkpoint B inside the main terminal today at 11 a.m. followed by a small reception in the Hopkins Room. Representatives from various Cleveland faith communities will be on hand to officially open the Interfaith Center.

“We are pleased to host the grand opening of the airport’s new Interfaith Center,” said Airport Director Ricky Smith. “The name lends itself to the inclusiveness of all faiths to be able to pray or meditate in this space without singling out any one particular faith religion.”

According to Smith, the new Interfaith Center is modeled after several other interfaith centers throughout the Cleveland area and other international airports in the country.

The new Interfaith Center is located in the main terminal next the security checkpoint B and is open from 5 a.m. to 11 p.m. seven days a week.
