AIRMALL® at Cleveland Hopkins International Airport Welcomes Charter One as Primary ATM Provider

– New ATM Program Arrived at Airport on October 28 –

CLEVELAND, October 29, 2009 – BAA, developer of the AIRMALL® at Cleveland Hopkins International Airport (CLE), is pleased to announce the arrival of Charter One as the airport’s new ATM provider. Starting on October 28, 2009, Charter One began offering access to 11 ATMs at CLE and one at Burke Lakefront Airport. Charter One replaces US Bank as the principal ATM provider at both airports.

“Charter One is a recognized and trusted financial institution in Ohio, and BAA Cleveland is happy to welcome the bank to the airport,” said Tina LaForte, vice president of BAA Cleveland. “Moreover, the new ATMs will be more strategically located throughout the terminal at CLE, offering added convenience to travelers who need access to their bank accounts.”

“The new ATM program with Charter One will contribute to accomplishing one of the airport’s main goals with the new concessions program – an enhanced passenger experience,” added Airport Director Ricky Smith.

The City of Cleveland forged a 10-year contract with BAA Cleveland in February 2008 to develop and manage concessions at Cleveland Hopkins International Airport (CLE). The city anticipates the AIRMALL® will double the current participation rate of local and minority-owned companies, double the number of concession jobs, and double retail sales figures during the next decade. When complete, the AIRMALL® at CLE will occupy 76,000 square feet of retail space.
