INQUIRIES

1.	**Question**	The RFP includes PDF versions of site drawings. Is there a way to get CADD versions of the files? It would make creating design concept drawings infinitely easier and more accurate.
	Answer	**CADD survey of site drawings (survey file) is included in this Addendum, please refer to attachment "D".**
2.	**Question**	Is LEED (or similar certification program) Certification required, and if so, what certification level (Platinum, Gold, Silver, Certified)?
	Answer	**The Department is not anticipating to gain LEED Certification for this project, however, LEED and Green related initiatives are encouraged, as per the attachment "A" GTC General Design Criteria Supplement, item 1, General Design Criteria for vehicle Canopies and Covered Pedestrian Walkways.**
3.	**Question**	In reference to Attachment A (CLE Ground Transportation Center Design Criteria Supplement), 3.IT Related Criteria, v. Not even sure how the screen will work with the current setup. Please provide additional clarification on this item.
	Answer	**The Department wants monitors installed in the Octagon Building that will display vehicle information from the License Plate Recognition (LPR) system. The screens would serve as a customer service tool, providing customers with the vehicle information such as make, model, license plate, company, etc. of all vehicles in the GTC.**
