A HALL
OF FAMER

Sammy's

Sammy Hagar arrived at the Rock and Roll Hall of Fame having sold millions of records and rocked thousands of concert stages around the world. He never dreamed his music would have such an impact on people. Sammy has never forgotten his roots or the people that helped him along his successful path. Today, he brings his positive energy to help kids in need by adopting the thought that you are never as tall as when you kneel to help a child. Sammy has dedicated his profits from this restaurant to local community children's charities. He invites you to enjoy a great meal, great drink, and know that together we are making a difference one bite at a time.
